Dear Ms. Lorenz:

I would like to thank you for your recent presentation to the Adult Protective Services (APS) Initial Training Academy class. I appreciate that you voluntarily took time away from your busy schedule to create and deliver a well-prepared, organized, and informative presentation. The knowledge you shared was invaluable and will help Aging & Independence Services (AIS) staff provide better assistance to many of our most vulnerable community members. Thank you for your continued participation, and in contributing your time and experience towards the professional growth and development of our staff.

Sincerely,
